**VENTURA
COUNTY
SENIOR
RESOURCES**

DEMENTIA FRIENDLY VENTURA COUNTY

Alzheimer's Disease accounts for 60-80 percent of dementia cases and currently impacts an estimated 610,000 Californians, a number projected to grow to 840,000 by 2025. To help educate the public about having understanding, tolerance, and patience and to advocate for the growing number of older adults with this disease, VCAAA recently launched Dementia Friendly Ventura County (DFVC). The goals of DFVC are:

- **To create** a county where persons with dementia and Alzheimer's disease are valued and respected, feel safe, and their caregivers are supported.
- **To educate** and inform all entities that serve the public about the unique needs of this population to better serve and support them.
- **To promote** community awareness of the condition and how individuals and businesses can make a positive difference.

VCAAA is one of four organizations in California to be certified by Dementia Friendly America®, an initiative borne out of the 2015 White House Conference on Aging to address the national and global epidemic of Alzheimer's disease and dementia.

Visit our Facebook page to engage with us in a Dementia Friendly Ventura County conversation.

Video from the Alzheimer's Society: [Small changes help make a dementia friendly community](#). This short video shows Mary, as she encounters people in her community, and how a little bit of time and consideration for people living with dementia can make all the difference to their daily lives.

Dementia Friendly Ventura County Introduction

IN-HOME SUPPORT

In-Home Supportive Services (IHSS)

In-Home Supportive Services (IHSS)

The IHSS Program helps pay for services provided to low-income elderly, blind or disabled individuals, including children, so that they can remain safely in their own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.

Some of the services that can be authorized through IHSS include: housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired.

HOW TO APPLY FOR IHSS

To apply for IHSS call:

- (888) 944-IHSS (4477) or (213) 744-IHSS (4477)

Or print and mail the application (link below) to: IHSS Applications 2707 S. Grand Ave., Los Angeles, CA 90007

Or print and submit the application (link below) by Secure Fax to Metro IHSS at (213) 947-4591

ELECTRONIC SERVICES PORTAL (ESP)

ESP is an OPTIONAL service that allows IHSS provider/recipients to submit/approve their timesheets online through a new State IHSS electronic timesheet service (ETS). Through ESP providers may enroll in Direct Deposit and submit Paid Sick Leave claims.

For more information on ESP and how to enroll, visit the California Department of Social Services (CDSS) ETS Website at:

<http://www.cdss.ca.gov/inforesources/IHSS-Providers/Resources/Timesheet-information>

PAID SICK LEAVE FOR PROVIDERS

On July 1, 2018, all active providers who work for an IHSS/WPCS recipient can earn paid sick leave. Providers must complete a one-time, * two-part requirement to **earn** and **use** paid sick leave.

- A provider must work 100 hours for an IHSS recipient to **earn** paid sick leave hours.
- To **use** paid sick leave hours a provider must work an additional 200 hours or wait 60 days, whichever comes first.

For more information on Paid Sick Leave for Providers, visit the California Department of Social Services (CDSS) Website at:

<http://www.cdss.ca.gov/inforesources/IHSS-Providers/Resources/Sick-Leave>

Meals on Wheels (ENP)

Congregate Meals

Congregate Meals meeting USDA dietary guidelines are offered to mobile older adults at meal sites such as senior centers or parks throughout Los Angeles County. The meals are provided by contracted service providers. In many cases, these lunches provide the only social outlet for those in attendance and an avenue where valuable relationships are formed. Though not required, a donation ranging between \$1.75 – \$3.00 per meal is appreciated.

The Home-Delivered Meals Program is designed specifically for home-bound individuals. This valuable program not only delivers a nutritious meal on a daily basis, but also serves as a mechanism to check up on the client, thereby providing an additional safety inspection and furthering the ability for him or her to remain home. Although the Home-Delivered

Meals Program does not require participants to pay for meals, a donation ranging between \$1.75 – \$3.00 per meal is appreciated.

New Freedom Transportation

The New Freedom program provides transportation and mobility management services, sensitive to the needs of seniors and adults with disabilities, to enhance quality of life, maintain independence, and improve their overall health and well-being. As more Los Angeles County residents grow older, the independence of owning a vehicle becomes less possible and more dangerous. As people grow older they need to start asking: “How will I get to life-sustaining and life-enriching destinations when I can no longer drive myself?” Please use our site to learn more about the WDACS New Freedom Transportation Program.

211 Los Angeles County

211 LA County provides information and referral support for Los Angeles County residents in need for social services, including transportation. Residents of Los

Angeles County can call 211 from their landline or cell phone, and speak to a community resource agent who can connect many services throughout the County.

To learn more about 211 Los Angeles County, please follow this link to take you to their Transportation Database – For specific transportation services in your community, search our transportation database by entering your zip code. Once entered, click “search” and you will be given information of the available transportation resources in your area.

Metro

Metro provides a system of bus, light rail, and subway lines throughout Los Angeles County. Metro fares are discounted for Seniors 62 years of age and older, disabled and Medicare customers. In order to apply for a reduced fare. Applications for discounted fare are available at any Metro Customer Center or via phone at 213.680.0054.

Family Caregiver Support

Family Caregiver Support Program (FCSP)

Programs » Aging and Older Adults » Area Agency on Aging » (FCSP)

This program provides support to unpaid caregivers caring for elderly relatives, or to older caregivers of younger family members. The purpose of the program is to help minimize the negative emotional, physical, and financial consequences of unpaid family caregiving.

Who are the Eligible Caregivers under the Family Caregiver Support Program (FCSP)?

FAMILY CAREGIVER

An adult (18 years of age or older) family member or another individual who provides an unpaid care to an older individual (age 60 or older) or to an individual of any age with Alzheimer's disease.

The following services categories are provided under FCSP:

Information Services

Access Assistance

Support Services

Respite Care

Supplemental Services

Information Services

Information Services provide public information on caregiving and/or community education on caregiving, including information about available services:

Public Information designed to provide information about available FCSP services and other caregiver support resources and services.

Community Education Activities are designed to educate the community and community groups of current or potential caregivers and those who may provide them with assistance about available Family Caregiver Support Program and other caregiver support resources and services.

Access Assistance

Access Assistance services provide caregiver information assistance and caregiver legal resources:

Caregiver Outreach Contacts services provide caregivers with information on services available and link caregivers to the services and opportunities that are available within their communities. Through the Traditional Legal Assistance Program (TLAP), caregivers are provided with one-on-one guidance by an

attorney) or individual under the supervision of an attorney) in the use of legal resource and services when dealing with caregiver-related legal issues.

Support Services

Support Services for caregivers include the following services:

Assessment is conducted by trained & experienced case managers/counselors to assess caregivers' needs which result in a plan which will identify type and duration of services needed to a caregiver.

Case Management caregiver case management services are designed to assess the needs, coordinate and monitor an optimum package of services that meet the needs of the Family Caregiver and/or Grandparent/Relative Caregiver.

Counseling is conducted by trained & experienced case managers/counselors that deliver counseling services appropriate for the caregiver, which may range from guidance with the responsibilities of the caregiving role to therapy for stress, depression and loss; and may involve his or her informal support system; and may include individual direct sessions and/or telephone consultations. Counseling for Caregivers provides information, referral, education and in-home counseling to family members caring for an older loved one.

Support Group is provided to a group of 3-12 caregivers that is led by a facilitator; conducted at least monthly within a supportive setting or via a controlled access, moderated online or teleconference approach; for the purpose of sharing experiences and ideas to ease the stress of caregiving and enhancing decision making and problem solving related to their caregiving roles. Attending a Caregiver Support Group can help you find other caregivers who might be interested in keeping in touch and sharing resources. Seek support from other caregivers. There is great strength in knowing you are not alone.

Training consists of workshops or one-on-one individually tailored sessions, conducted either in person or electronically by a skilled trainer, to assist caregivers in developing the skills and gaining the knowledge necessary to meet and enhance their caregiving roles. Persons providing the training usually address the areas of health, nutrition, and financial literacy. You will learn a variety of self-care tools and strategies to reduce your stress, communicate more effectively

with family and healthcare providers, deal with difficult feelings, and make tough caregiving decisions.

Respite Care

Respite Care means a brief period of relief or rest from caregiving responsibilities, and is provided to caregivers on an intermittent, temporary basis in a manner that responds to the individual needs and preferences of the caregivers and their care receivers. This service is provided to a caregiver who cares for an individual with two or more activities of daily living limitations or a cognitive impairment, or to a caregiver who is the grandparent or older adult relative caring for a child.

In-Home Supervision is a temporary respite care that includes friendly visiting in order to prevent wandering and health or safety incidents.

Homemaker Assistance is a temporary respite care that includes assistance with meal preparation, medication management, using the phone, and/or light housework (along with care receiver supervision).

Personal Care is a temporary respite care that includes assistance with eating, bathing, toileting, transferring, and/or dressing (along with care receiver supervision and related homemaker assistance).

Home Chore is a temporary respite care that includes assistance to a caregiver with heavy housework, yard work, and/or sidewalk and other routine home maintenance (but not structural repairs) associated with caregiving responsibilities.

Out-of-Home Day is a temporary respite care where the care receiver attends supervised/protective, congregate setting during some portion of a day, and includes access to social and recreational activities.

For more information and services, call (800) 510-2020

Supplemental Services

Supplemental Services are offered on limited bases to help caregiver to support and strengthen the caregiving efforts. Supplemental Services for caregivers include the following services:

Assistive Devices may involve the purchase, rental and/or service fee of any equipment or product system (ranging from a lift chair or bathtub transfer bench to an emergency alert fall prevention device) that will facilitate and enhance the caregiving role.

Home Adaptations makes any minor or major physical change to the home in order to facilitate and enhance the caregiving role (ranging from installation of grab bars or replacement of door handles to construction of an entrance ramp or roll-in shower).

Registry is a listing of dependable, qualified self-employed homemaker or respite care workers who may be matched with caregivers willing to utilize personal resources to pay for assistance with their caregiving responsibilities. Both the caregiver and the self-employed worker will be advised about appropriate compensation, performance expectations, and follow-up to ensure the match is functioning effectively.
